Re: FOIA Request - Aircraft Mishap Report – VR-24 on 24 November 1983

I request a copy of the Aircraft Mishap report regarding the loss of two VR-24 C-1 Traders on 24 November, 1983 off Majorca, Palma. This request is being made pursuant to the FOIA. For fee purposes, my category is other. I will pay all fees up to \$25 and need to be contacted first for anything over that.

Thank you.
